QUALIFICATIONS SUMMARY

For the last couple of years, I have been doing studio teaching in the Nashville area, part-time on an on-call basis. So far I have worked for “Nashville” and “Chrisley Knows Best,” and have worked with students both one-on-one and in groups. My students have included background actors, guest stars, and recurring cast members, ranging in age from infant to seventeen years old. Some of them did online or homeschool programs, while others were enrolled in private or public school.

- Certified for K-12 Visual Art with an active TN teaching license, but capable of assisting students with an array of other subjects as well
- Experience with studio teaching in a variety of settings and broad age ranges
- Experience with teaching in public school (grades 9-12) and private preschool (ages 2-4), and tutoring for an after-hours program for public schools (grades 5-8)
- Flexible schedule and attitude; usually available to work even with late notice
- Proficient in both Microsoft and Apple operating systems, including office software and arts applications; using a computer, smartphone, or tablet device
