Memphis & Shelby Co. Film and Television Commission

I offer a wealth of theatre , print , and tv related skills , talent , and experience with regards to your company's needs . I am eager to put my experience and attributes to work as your new hairstylist.

My 10+ years of experience are marked by a track record of effective, clean , and team-oriented operations. I am well versed in maintaining an organized and positive work space. I use my strong attention to detail to ensure every rehearsal, show , and event operates smoothly.

In addition to my hands on expertise. I am also very skilled in barbering , styling , and wig making and styling for both men and women . I also have other knowledge in other areas (including make up). It is my nature to help others , so I can assist in other areas of cosmetic needs or positions. I am willing and able to learn new skills quickly to meet your needs.

I am excited to make a contribution to your company . Because my skills are an excellent match for the job I am confident that I can demonstrate how I can apply my background to this position.

I can be reached at the number above or at my email address. Thank you for your time and consideration.

Sincerely,

Dionne Dickerson
