AUDIO RENTALS

Amplify Your Event With the Right Sound Equipment

"Can you hear me?" These are words that no event planner wants to hear. Clean and clear sound reinforcement is crucial to any successful function. At Channel Audio, we have the equipment you need, and we know how to use it. Our extensive inventory is consistently updated with the latest equipment to ensure you have the best experience possible. We carefully select all our products from small speakers to large sound systems. We understand your message needs to reach your entire audience, from the front row to the back. You can trust our experienced team to provide and deliver the best audio experience for your event.

Every event is different. At Channel Audio, we help yours be perfect. We take pride in our ability to handle any task in our path and deliver perfection when it comes to audio-visual services. If you have any questions about our audio equipment or audio engineering, please [contact us](#).

VISUAL RENTALS

Turning Your Vision Into a Reality

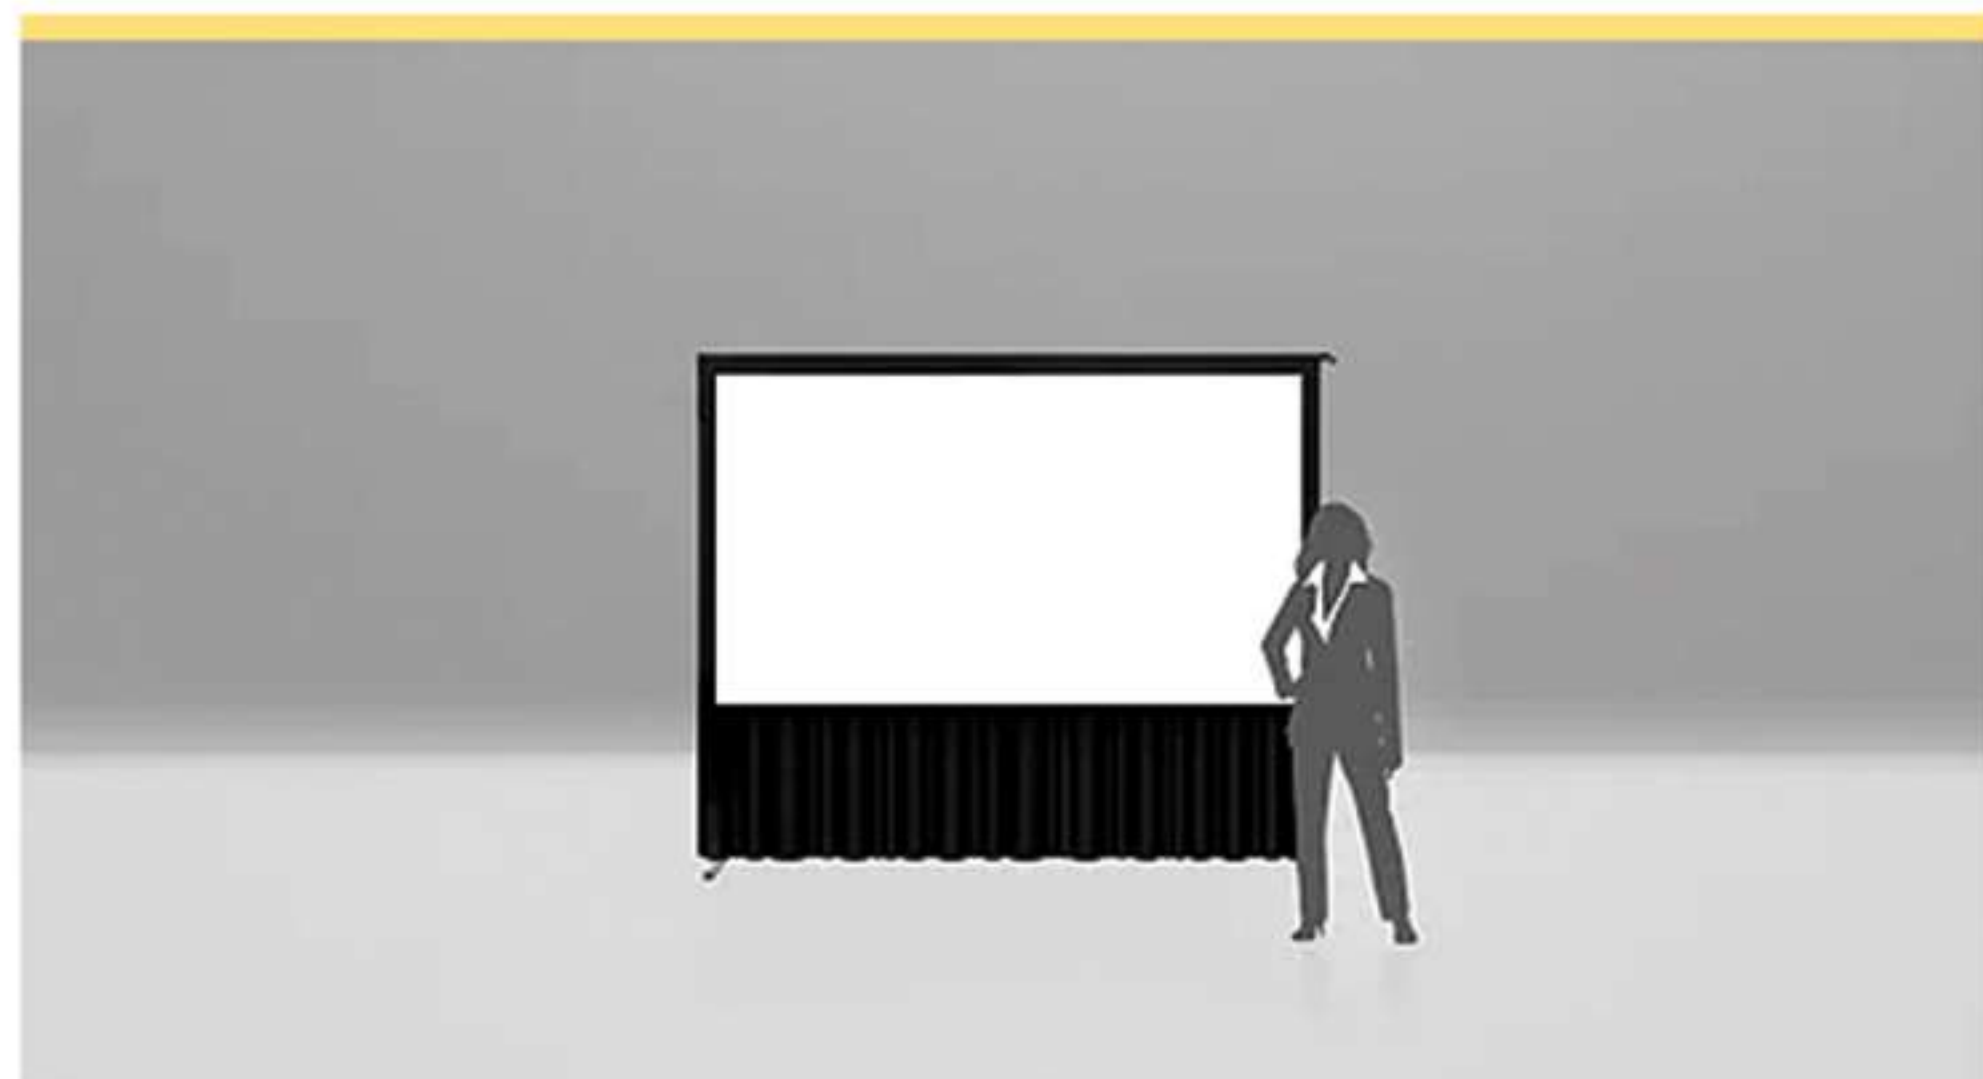

Bring your message to life with stunning, high-definition visuals from breakout rooms to large venues.

Channel Audio has your occasion's visual needs covered. Whatever size event you are hosting, we have the equipment and team to support your event's needs. Our presentation equipment is perfect for corporate events, meetings or movie screenings. With a variety of different size projection screens and projectors, as well as flat-screen LED TV displays, our equipment brings visual interest to your next event. All of our visual equipment can connect to any DVD Player, Computer, Laptop, iPad or cable box, or any other video device with HDMI, VGA, Composite or Component outputs.

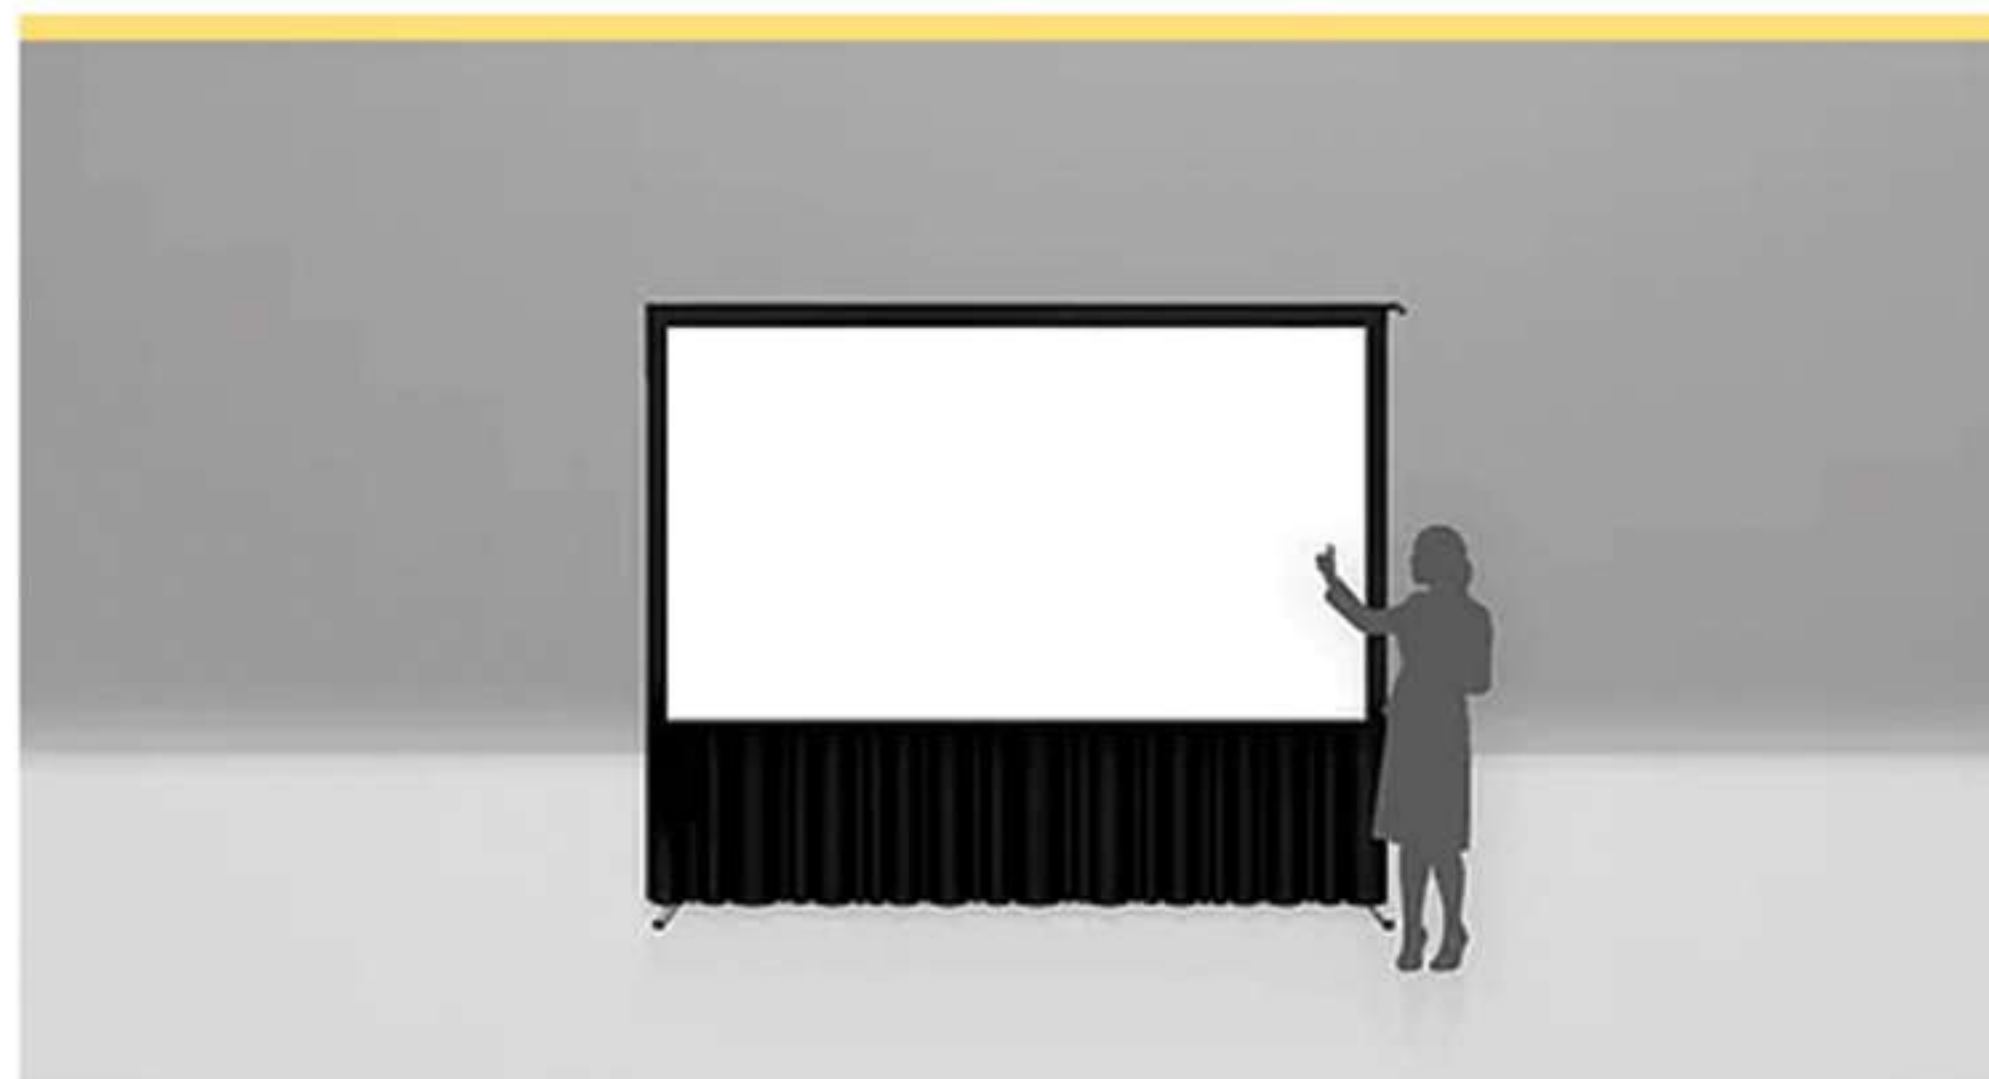

We continually invest in the latest products on the market. Our standards are high, and we refuse to cut corners. We only buy the best equipment to ensure you have the most successful event possible.

We know you have a lot going on with planning your event, so we make AV easy.

Planning an Event?

For a complete AV services quote, contact our office at (615) 669-2126

OUR PROCESS

1. Contact & Consultation

Start by contacting our team of professionals. We will ask all the appropriate questions during our initial consultation to determine your event's specific production needs.

2. Design & Quote

View your quote within minutes with our cloud-based quote system. If your event requirements change and you need something added last-minute your quote can be updated immediately.

3. Rental Agreement

Once you are satisfied with your quote, we will send our straightforward Rental Agreement to be e-signed to lock-in the order and reserve our services for your event. We have streamlined this process so it is quick and simple.

4. Finalization

Sit back and relax. Channel Audio will take over and finalize all the details necessary to make your event a success. We will work directly with any associated venues, planners, musicians, and other vendors so you do not have to be a middleman.

5. Event

On the day of your event, hours of preparation will have gone into designing a turnkey gameplan, guaranteed to be a success. During the event, we will be constantly available either on-site or by phone to handle all questions .

6. Post-Event Feedback

After your event, we will schedule a follow-up conversation to review event success, discuss attendee satisfaction, and get your feedback. We want to ensure everyone's satisfaction, so we can repeat the process with you for years to come.

Join Our Many Satisfied Clients!

We will be with you every step of the way to ensure that your event is a complete and total success.

SERVICE AREA

We offer delivery, set up, and strike on all orders!

*Delivery is complimentary within 15 miles of Nashville.
Any distance beyond 15 miles will incur a \$0.55/mi. fee.*
