## CONSTRUCTION / PRACTICAL BUILD EXPERIENCE

### APB Contracting | Owner / Builder / Handyman | Knoxville / Oak Ridge, TN

- Self-perform residential repair, handyman, and small-build scopes including doors, trim, painting, fixtures, outlets, gutters, flooring-support tasks, pavers, turf, and punch-list work.
- Prepare customer-facing scopes, estimates, job plans, materials lists, and clean project documentation.
- Bring a practical contractor mindset to production: show up prepared, protect locations, finish cleanly, and solve problems without slowing the shoot.

## AVAILABILITY

Available for Knoxville-area and surrounding freelance/day-player/1099 production work: art department, set dressing, scenic build, props, commercials, location dressing, fabrication, and on-set repair/build support. References available upon request.
