Skills

Vast knowledge in lighting,
RED Cameras, Black Magic
cameras, Sony, and Panasonic.

Cinematographer based in Chattanooga, TN.

Coming from an arts and music background, I look at every project I do through a creative scope that helps my work stand out. Specializing in commercial/ branded docs as well as music videos, my goal is to lead a project that creatively tells a story and gives the client a piece of mind that they are in the right hands.
