

MARSHALL DUTTON, CCP-C

Chief Operating Officer | Critical Care Paramedic | Military Veteran | Medical Educator

Phone: (931) 261-4371

Email: jmarshalldutton@gmail.com

Location: Tennessee

PROFESSIONAL SUMMARY

Licensed Critical Care Paramedic with over 27 years of progressive healthcare experience in emergency medicine, critical care transport, tactical medicine, military medicine, executive healthcare leadership, and medical education. A proven leader with extensive experience managing medical operations for television and film productions, special events, and emergency response teams.

Marshall began his medical career in 2000 while attending Tennessee Technological University's Paramedic Program, graduating in 2003. He is a proud United States Army veteran who served as an Infantryman, Combat Medic, and Flight Medic, completing numerous overseas deployments while providing life-saving medical care in combat and austere environments.

As Chief Operating Officer of Valor Medical Group, Marshall oversees medical operations, education programs, event medicine, and film production medical services while leading multidisciplinary healthcare teams with a commitment to excellence, professionalism, and mission success.
