SUMMARY

With 9 years in production, I've honed my skills in storytelling, leadership, and project management. My passion lies in creating compelling narratives, and I excel in collaborative, visionary environments. I'm adept at managing schedules, leading teams, and inspiring creativity by embracing diverse perspectives. I'm always eager to take on responsibilities that allow me to apply my expertise and help expand a production's foundation. My focus is on episodic content, and I'm driven to reach my goal of showrunning before the world ends.
