## EXPERIENCE

### ● OPERATIONS MANAGER

**Tempus Ex Machina | Dec 20 - Present**

Operations and Logistics of day to day management for the Technical Operations team - including travel, shipping, documentation and communication between vendors.

- Relationship liaison between Tempus Ex, Field Operations, broadcast and NFL for all NFL-related events including Super Bowl
- Coordination between NFL IT Department, Stadium Personnel and Football Operations regarding stadium access, credentialing and overall logistics.

### ● FREELANCE LINE PRODUCER

**Video, Photo, Commercial & Branded Content Production | Oct 06 - Present**

Team player who can maintain professionalism and a smile under aggressive deadlines, with limited resources and tight budgets.

- Communicates effectively through descriptive correspondence with record labels, agencies, management and production personnel.
- Facilitates creation of original concept from pre production through post production while managing hundred-thousand dollar AICP budgets.
- Delegates multiple tasks between coordinators, assistants and managers.
- Location management including scouting as well as facilitating permits

### ● DIRECTOR OF PRODUCTION

**Alliance of American Football | July 18 - April 19**

Creative lead for marketing department to originate new branded content to promote the league.

- Produced, directed and created projects - including photo shoots, video shoots and web content.
- Solutions oriented with a "whatever it takes" demeanor.
- Coordinated logistics including travel for the marketing department.
