## OBJECTIVE

---

As an enthusiastic and well-rounded individual in Film and Video Production, I am seeking the opportunity to be a value-add to a dynamic team, further honing and utilizing my adept skills on set.

---

## SKILLS

---

Production/Set Management  
Camera Operation  
Lighting Dynamics

---

---

## EXPERIENCE

---

### **PRODUCTION CREW & CAMERA OPERATER / TRUE BLUE TV / 01/28/21 – PRESENT**

Assisted in loading in/out equipment from the company truck.  
Delivered equipment from the truck to the set-up location.

Performed in camera builds in preparation for the events and set up where the camera is supposed to be located.

Received instructions on which subject to film while at the venue, while at the same time figuring out what subject would be an interesting add to the program.

### **SECOND ASSISTANT CAMERA/ EVERYTHING IS BEAUTIFUL / 03/16/25**

Tasked with the production slate, worked closely with camera crew when it came to getting ready for the next shot. Performed lens changes on set.

Assisted and communicated with all departments on set.

Assisted crew with equipment set-ups/take-downs

### **PRODUCTION ASSISTANT / LEFT RIGHT/ 04/02/24 – 04/07/24**

Worked closely with camera crew and assisted in setting up equipment.

Facilitated and participated in crew supply runs.

Assisted in capturing B-Roll as well as scout for potential shooting locations.

Organized and rearranged equipment on set.

### **RENTAL EQUIPMENT AGENT / RENT-A-CAMERA/ 03/14/22 – PRESENT**

Staged and check in business equipment orders.

Performed routine equipment maintenance for filters, lenses, cameras.  
Completed camera builds and tested working order viability.

Received instructions and learned techniques on best practices in camera usage and overall industry standard production procedures.
