PROFESSIONAL EXPERIENCE

Media Production Specialist, *The University of Alabama*, Tuscaloosa, AL, August 2021 – May 2025

Promoted from Student Video Editor to Video Production Technician to Media Specialist.

- Lead production planning with clients, defining scope, timeline, and creative direction.
- Operated professional video production equipment (camera, audio, lighting gear) in both studio and field settings.
- Filmed and edited a variety of university events, marketing videos, and lectures, ensuring alignment with the university's branding and quality standards.
- Delivered comprehensive post-production services, including editing, color correction, sound design, and motion graphics, using Adobe Premiere Pro, After Effects, and DaVinci Resolve.

Freelance Video Production, Southeast US, 2020 – Present

- Consult with clients throughout the entire production process of production, leveraging technical proficiency with camera equipment, lenses, lighting, and other video production gear to ensure their vision is met while providing creative input to enhance the final product.
- Produce a wide range of video content, including promotional videos, event videography, social media content, and corporate videos, ensuring each project aligns with the client's goals and brand identity.
- Manage all aspects of the business, including client communication, project timelines, contracts, and invoicing, ensuring smooth and professional interactions with clients at every stage.
