AWARDS

2022 California On Location Awards - Location Team of the Year - 9-1-1 Season 5

Thank you for taking the time to read over my credits. I have been in Locations since March of 2021. I started in Los Angeles before luck brought me to the great state of Tennessee! I am dedicated to our craft and to growing and honing my skills both on and off set. Please, if you have any questions, feel free to reach out! I am available day or night.
