# Stay New. Stay Longer. Stay Inspired.

*Where Extended Stay Feels Effortless*

With skyline views that stretch across Downtown and the Gulch just steps away, Homewood Suites offers guests more than a place to stay – it offers space to settle in. Designed for comfort, flexibility, and a sense of belonging, Homewood blends the ease of home with the energy of Nashville. Whether you're here for a week or a weekend, business or leisure, every suite is a thoughtfully appointed retreat with room to work, unwind, and live life on your terms.

At Homewood, we believe life on the road should feel just as welcoming as life at home – only with a better view.

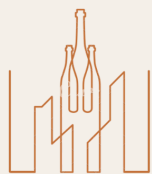

- 152 suites
- 775 square feet of private meeting space
- Outdoor or rooftop buyout opportunities
- Complimentary breakfast, wifi, and Wednesday night evening reception

*Uncorked. Unexpected. Unmistakably Nashville.*

Unique to this flagship property and perched above the pulse of the city, Vue is Homewood Suites' exceptional high note – a rooftop wine bar with front-row views of Downtown Nashville. Sip a curated glass of wine, share chef-driven small plates, and settle into an intimate setting that blends warmth and sophistication.
