

MEMPHYS™

PURE ARTESIAN WATER

PREPARED FOR:

MEMPHIS & SHELBY COUNTY
FILM / TV COMMISSION

F I L M M E M P H I S

Why MEMPHYS Water?

- What it is: Premium canned artesian water.
- Sleek, cinematic 16oz cans that photograph cleanly in kitchens, bars, offices, and lifestyle scenes.
- Not just water. Every can carries Memphis culture, history, and authenticity.
- Iconic Memphis-born brand, designed to rival global beverage names and elevate any production.

Why It Makes Sense For Your Production

- **Film-Ready Design:** Neutral, premium aesthetic that works on screen in any setting.
- **Product Placement:** Cleared brand integration for hero shots, character use, or background props.
- **Set Dressing:** Perfect for refrigerators, coolers, retail displays, and live performance scenes.
- **Community Connection:** Represents Memphis pride and instantly resonates with local and global audiences.
- **On-Set Support:** Flexible supply, from a few cases for small scenes to pallets for large productions.

Compliance & Trust

- FDA registered & licensed with the Tennessee Department of Agriculture.
- Pre-cleared for on-screen use. No trademark or clearance conflicts.
- Featured in the Memphis Business Journal, Memphis Flyer, and trusted by Memphis cultural leaders.
- Active social presence: 110K+ combined followers @memphyswater & @memphisforgotten.

By the Numbers

- **Format:** 16oz single cans + 24-pack cases.
- **On-Set Supply:** Available by case, pallet, or bulk delivery to meet production schedules.
- **Sustainability:** 100% recyclable aluminum cans.
- **Proven Demand:** Fast sell-through in Memphis market ensures cultural authenticity and visibility.
