- [The Hard Part - Award Winning Student Short](#)

PROFILE

I am a filmmaker based in Nashville, Tennessee, ready to bring my resume of talent to your next production. I have directed six short films with multiple festival selections and served as the lead producer on a multi-award-winning student short. I've been editing video since 2018 and have extensive experience in Adobe Premiere Pro and DaVinci Resolve. I have a background in cinematography, hired as a videographer for Lee University Media Services.

WORK EXPERIENCE

Lee University Media Services

JAN 2024 - DEC 2025

Team Lead Videographer/Editor

- Captured high quality video of campus events for sizzle reel recaps, commercials, social media posts, music videos, and archive content.
- Used Adobe Premiere Pro and DaVinci Resolve Studio to edit, color, and export video for social platforms.
- Extensive experience with RED, BlackMagic, and Canon cameras.

Real to Reel Entertainment

2023 - PRESENT

Director, Producer

- Lead film crews and direct actors, camera, and editing for short film productions.
- Manage budgets, crewing, casting, location management, and craft services to create an effective set environment.
- Multiple accolades for both direction and production roles.

Freelance

2024 - PRESENT

Videographer, Photographer, Editor

- Visualize, film, and edit music videos for University music groups.
- Lead videography teams for wedding video productions.
- Capture and edit photos for events, concerts, and studio sessions.
- Notable hires include Lee University Singers, Ladies of Lee, and Brainerd Baptist Church.
