

ELI TRANAS

5150 Jack Byrnes Drive APT 16204, Murfreesboro, TN - 615-969-6776 elijahtranas@gmail.com

Following a brief time as a high school educator, I chose to pursue higher education with intention to pursue a career within the entertainment industry. My time as an intern has reinforced much of what I learned during my time at Lipscomb. I believe my time earning my MFA has prepared me for a start within this field. With an ability to thrive under deadlines and having exceptional communication skills, I believe myself to be a good candidate for this role.
