

COMPANY OVERVIEW

Luxury Corporate Lodging (LCL) is a national provider of fully furnished deployment housing supporting federal agencies, state emergency operations, insurance response teams, and corporate relocation programs.

We deliver turnkey, GSA-aligned accommodations with rapid placement capabilities and advance scheduling across multiple states. Our operational framework supports disaster declarations, catastrophe response, and extended assignment housing needs.

LCL prioritizes compliance alignment, consolidated billing, and scalable housing solutions for team deployments of varying size and duration.

DEPLOYMENT EXPERIENCE

Luxury Corporate Lodging supports housing needs during active disaster declarations, insurance catastrophe deployments, state emergency operations, and extended corporate assignments.

Our operational model prioritizes deployment readiness, compliance alignment, and structured coordination across multi-unit assignments. We work directly with property management partners to secure Class A accommodations suited for team-based deployments.

LCL provides scalable housing solutions capable of expanding into new markets as operational needs evolve.
