*Throughout my career, I've developed a diverse skill set that allows me to be a well-rounded and valuable team member on any project. My experience across multiple genres includes, but is not limited to: team management, logistics and scheduling, location scouting and management, conducting interviews, budgeting for departments, story development, talent booking and communication, casting, designing on-camera events, prop styling and set dressing, overseeing scripts and run of show, and delivering final episodes to network.*
