PRODUCTION MANAGER/COORDINATOR

30 years experience in video production, with the past several years working on live audience events.

- Comfortable being main point of contact with vendors, crew and talent
- Site logistics, travel, credentials, media, talent and COVID testing coordination
- Collecting quotes from vendors to compare with budget constraints
- Creating purchase orders and reviewing invoices for accuracy
- Timecard completion for freelance employees/calculating payroll totals
- Petty cash and credit card management/reconciliation
